Annual Financial Report

December 2023

#### Dear Parishioner,

Enclosed is a copy of our 2022-23 Annual Report. It is a positive report with a surplus, albeit a very modest one of just under \$41,000. As I reflected at all the Masses on the weekend before Thanksgiving, we have some challenges ahead. In the past 1 ½ years a few of our very generous parishioners have gone on to their eternal reward. Collectively their generosity to the parish was around \$200,000 per year. That deficit will be felt in the current fiscal year and in future years. My hope is that we can generate normal operating revenue via collections that offsets that loss. We are also working on finalizing the plans for a new air conditioning system for our church. The cost has not been finalized, but it will be north of \$875,000. I will give you more information as soon as I get it.

Financials are an important part of any report, but they only tell a part of the story. Our sacramental numbers, especially Baptisms, remain strong. Our Rite of Christian Initiation (RCIA) group is the largest that it has been in over a decade. People are interested in learning about and hopefully joining the Church. This year's Giving Tree once again appears to be a great sign of our parish's generosity to those in need at Christmas. A dedicated group of people are working on an outreach to refugee families that have come to Chicago. Much is happening here at FHC and with your help we will continue to grow.

#### **2023 BLARNEY BASH PADDLE RAISE**

As always, the safety and security of our school and campus remains our first and highest priority. As a result of the highly successful paddle raise from the March 2023 Blarney Bash - which raised just under \$100,000 and an additional restricted gift for school security - we have been able to implement several important, new measures to improve school safety.

A brief summary of the steps taken this year:

- Comprehensive Safety Assessment conducted, with the assistance of the Winnetka Police Department, to inform our overall plan
- Recruited Beacon Training Group to conduct Active Threat Training for teachers
- Purchased and installed new 2-way radios for each classroom; with guidelines established for the radios to be carried at all times when outside the classroom
- 3M protective film installed on classroom windows and doors
- Raptor visitor management system introduced as new requirement for school entry
- Security door installed at the main entrance to the school
- Emergency Medical Kits distributed to all classrooms

The School Safety Committee will continue to meet throughout the year and the School will continue to prioritize and implement additional measures as budget allows.

# A Parish Partnership with the Diocese of Yakima, Washington State

The Literacy Wagon is part of a broad effort by the Diocese of Yakima, to reach out to Catholic migrant workers where they live, and to bring the Church to them. It was made possible by a multi-year pledge through Catholic Extension's Parish Partnerships program. In 2017, Saints Faith, Hope and Charity Parish in Winnetka, Illinois, made a 5-year commitment to financially support the ministry. Fr. Marty O'Donovan, pastor of Saints Faith, Hope and Charity, visited the migrant ministry to experience first-hand the fruits of his parish's generosity. He was reminded that "the Church isn't just in buildings; it's wherever people gather."

The relationships between Catholic Extension and the ministries that need support is what makes the difference between "helping" and "serving." Melissa Howlett, director of religious education at Ss. Faith, Hope and Charity, said it's the difference between "coming out, meeting people, being with people ... as opposed to coming with our own agenda."

"Catholic Extension does such a good job of seeing who's already there, working very hard, and investing in those people." Howlett joined O'Donovan for a visit to Yakima, where she spent a day playing and reading with the children her parish supports.

"The sobering part is to realize how transformative the Church is and to figure out how to help the Church to continue to provide basic needs and offer love, so these migrants know that we are all part of the Church of God,"

O'Donovan said.

"Church is in this pavilion here on these campgrounds where we gather around the Eucharist," O'Donovan said. "Church is leading kids in simple games or feeding them lunch. ...That's Church."

# A Parish Partnership with St. Jerome Parish in Rogers Park

In 2022, St. Jerome Parish in Rogers Park, with the assistance of a \$20,000 gift from FHC, and the donation of skilled time and talents of their parishioners in various trades, renovated a run down former convent and turned it into an exceptional and functional space for the St. Jerome Parish Latino School of Culture, Language and Religion.

This program was designed by pastor Fr. Noel Reyes to enhance the cultural assimilation of the second generation

Latino population of their parish by teaching students the historical and religious roots of their ethnicity.

#### A Parish Partnership with the Diocese of Kalamazoo, MI

Saints Faith, Hope and Charity partnered with Catholic Extension to support the inspiring work of Holy Family Healthcare. This project expanded the healthcare's site to triple its size and can now support 15,000 visits annually. They plan to renovate the vacant upper floors of the facility into dorm rooms, complete with a chapel, in the hope that medical students can do monthlong rotations to be immersed in rural healthcare and Catholic social teaching.

Holy Family Healthcare also offers nonmedical assistance, such as a food pantry, a free clothing closet and even scholarships for children to attend local Catholic schools.

Bill Kanzer, previous parish council president, who was among the visiting contingent, summed it up well. "These people help you realize the need is right here in our backyard."

#### A Parish Partnership with the Archdiocese of Bhopal

In 2015, Ss. Faith, Hope & Charity parishioners raised more than \$8 million in the "To Teach Who Christ Is" capital campaign. The money was spent on school improvements, a new parish center and charitable giving. This year, FHC gave some money to meet a great need at a parish school across the globe. That need came to us from a close FHC friend who served us well then had to say goodbye. After 5 years with FHC, Father Thomas Philip is back home in India with a gift from all of YOU.

The Archdiocese of Bhopal is in the center of India. The students pay less than a quarter per month to attend school there. With the upcoming rainy season ahead, Fr. Thomas noticed an immediate need. \$23,000 from Ss. Faith, Hope & Charity church paid for a new tin roof to help these growing minds and bodies. "It is a roof to cover children who are trying to go to school and learn. This is the epitome of helping the poor," said Fr. O'Donovan. "They can stand tall. That is something very important," noted Fr. Thomas.
