Brian Schmisek, PhD

PARENT EFFECTIVENESS TRAINING

PARENT EFFECTIVENESS TRAINING

FEWER POWER-STRUGGLES, LESS TENSIONS, LESS RESENTMENT AND MORE PEACFUL FAMILIES

WHAT YOU WILL LEARN

The four basic skills every parent needs are:

1. How to talk to your children so that they will listen to you.
2. How to listen to your children so they feel genuinely understood.
3. How to resolve conflicts and problems in your family so that no one loses and problems stay solved.
4. A method for troubleshooting family problems and knowing which skills to use to solve them.

WHO SHOULD ATTEND

P.E.T. is for parents of children of all ages. Naturally, special considerations have to be made for pre-verbal children, which is covered in the workshop.

Classes will be held at OLPH Church located at 1775 Grove St., Glenview.

For questions or more information, please email us at: pet.olphglenview@gmail.com

WHAT IS PARENT EFFECTIVENESS TRAINING (P.E.T.)?

Whether you're the parent of a toddler or a teenager, you know that parenting can be challenging—even overwhelming at times. Unfortunately, children don't come with an instruction manual. And, being a parent doesn't always mean that you automatically or instinctively know what to do. Parent Effectiveness Training (P.E.T.) offers proven communication skills that really work. When they use these skills, parents are amazed with the dramatic improvement both in their families and in all their relationships.

HOW YOU AND YOUR FAMILY WILL BENEFIT

Your children will feel free to discuss their problems and concerns with you instead of withdrawing.

They will learn self-discipline, self-control and an inner sense of personal responsibility.

You will learn how to work with each other instead of against each other.

You'll experience fewer angry outbursts and more problem-solving.

Everyone can participate in rule-setting so all will feel motivated to comply with the rules.

Fewer power struggles—less tension, less resentment, more fun, more peace, more love.
