

BAPTISMAL RECORD REQUEST for RELIGIOUS EDUCATION STUDENTS

Dear Parents: It is a Canonical requirement to have a copy of the Baptismal Certificate for each sacramental candidate. We appreciate your help in completing our records.

For students making their First Communion, we need the following information to complete the sacramental books of the parish office, along with a copy of the Baptismal certificate.

- **Please note that any child baptized at Saints Faith, Hope and Charity need not provide the certificate, but the completion of this form is still necessary.**
- **For any child baptized at another parish, you may contact that parish and request that the Baptismal certificate be mailed either to you or directly to the RE Office, or faxed to the RE Office (847-446-2145).**
