

**Saints Faith, Hope and Charity Women's Guild
2010-2011 Interest Sheet**

One of the goals of the Women's Guild is to enhance the sense of community among all women of our parish. Through participation in one or more of the activities listed below, you will have an opportunity to meet other women as well as support programs that foster the mission of the Catholic Church in our community.

We hope you will take a few moments to look over both the service and social activities and check any in which you are interested. Please return your sheet in the enclosed dues remittance envelope.

We need your help and involvement! Thank you.
